January 2006

To Our Readers:

The Delaware Association of Nonprofit Agencies (DANA) is pleased to present the **2006 Directory of Grantmakers Funding Programs in Delaware**. The **2006 Directory** has been made possible by support from the Governor's Commission on Community and Volunteer Service, State Office of Volunteerism, Division of State Service Centers, Delaware Department of Health and Social Services. Their funding has allowed DANA to provide this information on our website to the entire community at no charge.

The **2005 Directory** includes information about Independent, Corporate and Community Foundations that make gifts to nonprofit organizations in Delaware. Every effort has been made to include accurate and current information. An electronic edition of the **2006 Directory** permits us to update current information on a regular basis. Subsequent editions will include information on corporate philanthropic programs that give in Delaware.

The charitable nonprofit community of Delaware, 1,000 strong, is appreciative of the generosity of these foundations in helping them to carry out their missions. Both the funders and local charities are committed to improving the lives of all of the citizens of Delaware through a vibrant partnership. We hope that this **2006 Directory** will help grantseekers to focus their time and energy on the foundations that have the greatest interest in their specific projects.

The publication of the **2006 Directory** would not have been possible without the assistance and support of others. Financial support of DANA by the State Office of Volunteerism allowed us to use our resources to gather the data. We are also indebted to the members of the Brandywine Chapter of the Association of Fundraising Professionals who made personal contributions of time and expertise.

It is our hope that the **2006 Directory** will be beneficial to the entire philanthropic community of Delaware. We thank you for your interest and invite your comments and suggestions as we add to and improve future editions.

Sincerely,

A handwritten signature in blue ink that reads 'Connie Hughes'.
